

THANKSGIVING DAY

by Abraham Hunter

Sept 2018

There's no better day of the year to have a heart full of gratitude for the year that's is now past. In 2017, I met the girl of my dreams!!!! I also made many new friends, painted some of the most inspired pieces of my life, and grew so much closer in my walk with God. It was also full of some very rough health roadblocks. From daily headaches to food poisoning, there have been sometimes to cloud the sun. But what I've learned is if you focus on the negative of what you don't have, you don't see Jesus standing there with a gift for you amidst it all.
