

MYRTLE BEACH SUNRISE

by Abraham Hunter

Mar 2020

I'm lucky enough to have my art shown in several great galleries. Masters Editions Galleries in Myrtle Beach wants me back twice a year for signing and "thank you sketching" events where I create a sketch for anyone who has collected my art as a way of saying thank you.

I've spent a lot of time in the Myrtle Beach area because of doing these shows, and have fallen in love. Nothing is quite as refreshing as walking onto a beach framed with sand dunes and beach grasses and having the fresh salt air relieve my stress from preparing for the shows. This painting is my attempt at capturing that feeling and sharing it with you.
